مكتبة الاسكندرية تستقبل اليوم جودت حيدر. وقد لقب جودت حيدر بأمير الشعراء وشكسبير العرب واكثر ما يليق به هو توصيف شاعر وفيلسوف التسامح والحدائة. وكم نحن بحاجة الى كتاباته وآرائه في هذه الايام الحلكة في منطقتنا العربية. استطيع ان ارى طيفه يتبسم لما تمثله مكتبة الاسكندرية في الذاكرة الثقافية العالمية وتاريخ الحضارة المتوسطة.

Eight years after, Jawdat Haydar enters the Library of Alexandria where a commemoration is held today. The Ancient Library of Alexandria, was one of the largest and most significant libraries of the ancient world. It was dedicated to the Muses, the nine goddesses of the arts.

It is a fitting place for a poet and philosopher who " lived an intense life full to the brim, yet he was not merely content to experience, suffer, and enjoy. He sought to understand, analyze, and find solutions. He could be characterized as a civic poet who sought to express contemporary political and social ideas in poetry. I prefer to characterize him as a poet and philosopher. Didn't Samuel Taylor Coleridge say "No man was ever yet a great poet, without being at the same time a profound philosopher?"
